ISSUE 1 JANUARY 2022

Season's Greetings - Year of Tiger 2022

Two half-day online forum on digital economy and youth innovative entrepreneurship will be held on March 24 & 25 2022 to bring together government officials from related sectors, successful start-up founders, young entrepreneurs, start-up incubation centers or accelerators, and representatives from venture capital companies. The forum will also focus on up-to-date digital economy growth and trends in the COVID-19 affected society. Minister without Portfolio, Audrey Tang, will be the keynote speaker of the forum and provide insights on digital innovation on both social and medical applications.

APEC 2022
THAILAND

PRIORITIES FOR APEC 2022 THAILAND

OPEN TO ALL OPPORTUNITIES

FACILITATING TRADE & INVESTMENT

(1) Support a rules-based MTS with WTO at its core
(2) Ensure flow of essential goods and services including COVID-19 vaccines and related medical products
(3) Enable ecosystem for the digital economy, accelerate implementation of AIDER
(4) Ensure sustainable and inclusive finance for MSMEs, women, youth and informal sector
(5) Promote structural reform for green recovery
6. Promote economic policies that contribute to addressing environmental challenges

CONNECT IN ALL DIMENSIONS

RECONNECTING THE REGION

(1) Continue work on safe passage; work towards a travel protocol, enhance interoperability and consider mutual recognition of vaccine certificates
(2) Strengthen and invest in public health security and resilience
(3) Rebuild inclusive, sustainable and regenerative tourism
(4) Advance the implementation of the APEC Connectivity Blueprint

BALANCE IN ALL ASPECTS

PROMOTING INCLUSIVE & SUSTAINABLE GROWTH

(1) Promote gender equality and women economic empowerment, through the La Serena Roadmap
(2) Support MSMEs and start-ups, building on the 2015 Boracay Action Agenda, and their transformation to sustainable and green practices
(3) Engage youth and promote inter-generational exchange
(4) Reduce energy intensity and transition to clean and renewable energy
(5) Enhance cooperation on forestry and facilitate trade of legally harvested forest products
(6) Address marine debris including plastic litter, IUU fishing and promote sustainable fisheries
(7) Develop an implementation plan for the Food Security Roadmap to ensure food safety, security and sustainability for all
